“ Students Welfare Fund, All Scholarships And Donation Regulatory Committee”

Introduction :

Before the dawn of Independence, great freedom fighter Late Shri Dada Saheb Khaparde founded “Nootan Vidarbha Shikshan Mandal”. The main aim to establish the institution was to encourage patriotism, love for nation among the students. In 1965 Late Babasahib khaparde has founded Mahila Mahavidyalaya in order to provide opportunity for higher education to women. Mahila Mahavidyalaya always stands for the upliftment and empowerment of the students. Mahila Mahavidyalaya is committed to help and Welfare of the students. So to check and control the dropout of the students because of financial problems, the committee “Students welfare fund, all scholarship and donation regulatory committee” is formed by head of the institution of Mahila Mahavidyalaya, Amravati run by Nootan Vidarbha Shikshan Mandal, Amravati.

Features of this committee:

1. The working of this committee is purely based on accumulated interest of donations given by renowned personalities of the society.
2. The donation amount is deposited in the Nootan Vidarbha co-operative bank, named as Nootan Vidrabha salary earners co-operative society in the form of fixed deposits.
3. The interest received on fixed deposits is used to provide financial assistance to economically backward students of the institution.
4. The committee consists of five members from senior and junior college, having one coordinators and secretary.

5. The beneficiaries of fund collected are the students of senior college as well as junior college.
6. This financial aid is restricted to the students who get minimum 50% marks who are regular in classes and activity participated in various activities, programmes of college.

Objectives :

1. To provide financial help to economically backward students of institution.
2. To assist college students to continue their education.
3. To motivate students to increase their educational development.
4. To inculcate confidence among the economically poor students.
5. To inspire the students by creating social values among them.
6. To empower the girls students in all spheres of life.

Outcomes :

1. Provides financial help to economically backward students.
2. Students are motivated for their educational developments.
3. Created confidence among the economically backward students.
