## Analysis of Students Satisfaction Survey Academic Session 2022-2023

**1. Objective:** - Student Satisfaction is necessary to indicate effectiveness of teaching learning in the institution. Therefore college executes student satisfaction survey in order to elicit student opinion and perspective regarding teaching and learning by providing them questionnaire. The present questionnaire has been designed by IQAC of Mahila Mahavidyalaya to seek feedback from students to upgrade the quality of higher education.

**2. Policy:** - Present MCQ type questionnaire is in Google form which has been designed to record satisfaction level of students. Students were asked to rank , in order of importance 20 questions ranging from the percentage of syllabus completed in the classes, teacher's preparation for the classroom , teacher's interaction with students in the classroom, field visits and educational visits of students , efforts of teachers to inculcate soft skills and employability skills, output of continuous internal evaluation, fairness of internal evaluation process by the teachers encouragement for extracurricular and co-curricular activities teacher's efforts to identify weaknesses of student and providing solutions to overcome it, percentage of teachers using ICT tools in teaching , covering complete syllabus in the class, institute's interest in promoting internship expected competencies , course outcomes and program outcomes, institution's efforts the monitoring , review and continuous quality improvement of teaching learning process , teacher's use of student centric methods such as experimental learning , participative learning and problem solving methodologies for enhancing learning experiences.

Sample Size: - 413 Students

**3. Process:** - Google forms were distributed to the students with MCQ style questionnaire to record their choices. Students were allotted to parent teachers of appulki project this teacher created group of allotted students and took their zoom meetings to explain the meaning of various parameters. It ensures that the students have understood and are satisfied with the questions appearing in the survey forms The recorded choices are then processed to obtain the feedback Analysis Report.

404 responses

**Give three observation / suggestions to improve the overall teaching-learning experience in your institution.**

In my institution all things are good, so I can not give any suggestions

Not all professors are understanding. And not pamper us.

1) Practical knowledge must be give to student in the class.

2) mostly focus on banking practical knowledge.

3) Great learning Progressive methods Satisfaction.

4) Confidence level improving.

5) Good overall institution

Very good, very nice, and very through

All professor staff is very good, and teaching and learning also very good, our staff is make a more efforts to grown up our self.

Need a hostel

yes

all good

All facilities are available in the instructions, college timing must in the morning, field study , start NCC

Need more space in library.

Teacher always give directions to learn. Solve all doubts as well as clear the difficulty

Very best teacher.

No thanks

Always supportive Great understanding with students Always encourage for the good work

Very excellent

Cold water

- 1) explain students with proper examples.
- 2) talk to students when they don't understand the assignment or practical.
- 3) sometimes listen to their students as well.

1. Teaching means helping to teach.
2. The definition of education has now become very bord.
3. Teaching is an act involving guidance etc.

There is nothing to suggest about teaching. But sometimes we get notice and information about something happening in college very let or on the same day and it is very complicated for the students which are doing job like me. So please provide a notice at least one day before.

1) our institution always good teaching and also understand in every point of the syllabus that's learning is very us best and they are always support of students in every work  
MLT needs improvements Conversation of all CHB teacher

Explanation

Very good ☺

All the teaching staff have does lots of efforts to teach and guide us.

good

Learning good Teacher Staff is very nice. every time help us. Studying in all subjects methods clearly Always support.

Good..

Very well

Good..

Field study, start NCC

dafargauri1209@gmail.com

Good experience for teaching and learning as well as

Try to reach every student and ask for their doubts

Nothing

Try to every students doubts

Normal hota

According to me every teachers of our college are incredibly teach us. And we understood everything easily thank you

Overall is good experience and good teaching in their

Practical knowledge should apply on college to increase student interest in banking sector or other sector

Our institution teaching is very best They always teaching us good every time motivated to veryus activities Really their guidance veryus important for our 🙏🙏

Teacher support

..

Good best excellent

Good Satisfied Excellent

Mahila Mahavidyalay

Mahila mahavidhyalay

Very Best

Excellent

Teaching staff is very nice and pure

Give every student theoretical and practical knowledge

1. Use better graphics and visual media to engage students well. ... 2. Try to reach every student and ask for their doubts. ... 3. Make teaching a two way interaction.

Very good

Teacher

1) good teaching 2) good learning 3) The great education of the institute

Learning process are very nice and understand every thing.

Teaching regular, Help any time

Need a hostel

Good teaching, Regular lecture, And teacher help students in every time.

Good teaching Regular lecture And teacher help students in every time

Teaching regular help any time support Always

Excellent, very good,teaching good

Nice experience , good efforts and teaching

Good lecture and difficult question solve in students

.....

Very well experience.

सकाळचकॉलेजझालंपाहिजे

1. Regular lectures

None

Nothing to improve the overall teaching - learning experience
